1- GUIDELINES AND INSTRUCTIONS

Authors are invited to submit original abstracts by **February 25, 2025** on the following topics:

- **Epigenetic Mechanisms in pathophysiology**
- **Epigenetics & Chromatin in stemness, aging, development**
- **Clinical Cancer Epigenetics**
- **Epigenetic Biomarkers**
- **Epigenetics in drug discovery and therapeutics**
- **Epigenetics of human disease**
- **Epigenetic technologies**
- **Epigenetics of the tree of life**

The abstract of maximum 350 words should state briefly the purpose of the research, the principal results and major conclusions.
The abstract should be divided into three paragraphs:
- Abstract
- Results
- Conclusions

Abstracts must be written in **Times New Roman single spaces**, with **2 cm top and bottom**, and **2 cm side margins**, with font sizes as follows: **title 16 bold (upper and lower case), authors 14, affiliations 12 italic; body 12**. Line spacing of the abstract body must be 1,15.

In the list of Authors please underline the Presenter.

The file should be submitted in PDF format according to the Abstract template. Abstracts will be reviewed by the Scientific Committee.

Abstracts can be submitted for Short Talk or Poster presentations**. Please note that selecting short talk will not ensure that an accepted abstract will be considered for oral presentation**. As short talk slots are limited, an accepted abstract may be allocated for poster presentation.

NOTE: Abstracts submitted by email or not in accordance with the guidelines will **NOT** be accepted
